

Your personal WEIGHT Program with Herbalife, Lose WEIGHT right and keep it off with Herbalife

Well Mr. Jager FOUND SOMETHING AMAZING and he wants to share it with you! He has started his own business and Mr. Jager thought he would let everyone know what he is doing.

Iâ€™m now working with Herbalife International! Have you heard of them? Have you tried their products? WOW! You know â€ they are the largest and fastest growing Health and Nutrition Company in the world. Theyâ€™re now in their 28th year of business and are licensed in 65 countries. December 31st 2006 marked 3 billion dollars in sales. Incredible!

Herbalife is all about helping people with the many health-related problems that are due to poor nutrition. Currently, well over 40 million people worldwide are successfully using our products to get outstanding health and weight-management results. We have products to help people lose weight, gain weight and increase energy. In addition, Herbalife has targeted nutritional products that have helped millions of people with migraines, diabetes, cholesterol, high or low blood pressure, seasonal allergies, asthma, ulcers, heartburn, anxiety, stress, sleep disorders, arthritis, fibromyalgia, osteoporosis, PMS, menopause and even ADD & ADHD. We also carry an exclusive line of the absolute best skin care, hair care, and personal care products on the market.

What people like most about our products is that they are doctor formulated and safe for everyone no matter what state of health someone is in. All of Herbalifeâ€™s products have been developed by a team of doctors and scientists â€ including Nobel Prize winner Dr. Louis Ignarro (for his research in the field of cardiovascular health). This team of over 30 doctors makes up the Herbalife Medical Advisory Board. The products are all natural and of pharmaceutical grade which is the highest standard in the world. Herbalife backs their products with a 100% money back guarantee - companies donâ€™t do this unless they believe in what they have to offer. There are no â€magicalâ€™ or â€quick fixâ€™ ingredients â€ simply good nutrition from the highest quality fruit, vegetable and herbal extracts to give your body absorbable nutrition so that it can take care of itself!

You know, I began this business as an internet marketing company, featuring Health and Nutrition. In fact - most of my business is done over the World Wide Web. Howeverâ€ I am so excited that I canâ€™t help but share these products since I FEEL SO GREAT!! So I wanted to ask that if you know anyone whoâ€™d be interested in having more energy, manage their weight or improve their overall health that you simply let them know Iâ€™m involved with Herbalife and would be more than happy to help them. I give everyone a complimentary personal health consultation â€ and I donâ€™t believe in â€pressureâ€™ sales. If you are currently

supplements or nutritional products yourself- letâ€™s take a look together to see if I have a
â€œsimilarâ€• product that might in fact work better for you. Please let me know. If there is
something that I can do for you or someone you know, then I am excited to help you along
the road of nutritional well-being.

As I mentioned, the purpose of this letter is to simply share with you, these amazing
products that I have found and to let you know that Iâ€™m in business. So please, keep my
phone number handy and when you do think of someone who you feel may want to hear
about these products or even my business then perhaps you could ask them to call me. I
would very much appreciate it! If you would like to learn more about the products, then
please feel free to get in touch. Iâ€™m always available by e-mail.
